The Missouri Division of Workforce Development is currently working under the Next Generation Career Center framework model for redesign/relocation of the offices located throughout the State of Missouri. The model requires a structured system and allows customers seeking employment services access to a streamlined service delivery process. The end result of this model will allow job seeker customers to navigate the career center and its services which will result in them obtaining employment sooner. The Division currently occupies a State-owned, Reed-Act building, which is not able to be fully utilized as a One-Stop facility. The relocation will allow system partners to co-locate in a different facility. Legislative authority to dispose of the St. Joseph facility was previously granted by the Legislature.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

The Division will require rental space of 6800 square feet at a new facility based on 33 current DWD staff. Current rates for large city locations from OA Facilities Management are \$10.00 per square foot for a total of \$68,000. Janitorial rates are \$1.24 resulting in \$8,432 and utilities are \$1.80 per square foot for a total of \$12,240.

The Missouri State Highway Patrol zone office located in the Missouri Highways and Transportation shed at Sheldon relocated in FY10. The shed has now been closed. This zone office services the officers and citizens in the Vernon and Barton County areas. In addition, the MoDot shed at Collins is now for sale and the Patrol will be moving from that location. The Collins office services officers and citizens in the St. Clair and Hickory County areas. The Patrol had paid \$500 per year to rent locations from MoDot. There will now be an increased cost for the new locations.
